DEPARTMENT OF AGRICULTURE AND FOOD

SERVICE FEES AND CHARGES

Details of Services Available

This booklet gives details of services provided by the Department of Agriculture and Food, Western Australia. Some other specific services are available, for which fees will be calculated on a cost recovery basis, on inquiry.

A charge will be made for all services listed in this booklet unless a specific exemption applies. Exemptions are:

- a determination by an authorised officer of the department that a particular service is essential for a competent analysis of a problem by an officer;
- submission concerned with suspected exotic plant or animal disease outbreaks;
- submissions associated with approved departmental research, survey or surveillance projects;
- submissions relating to specific agricultural industries, endemic plant or animal diseases and conditions that may from time to time be declared by the Director General, Department of Agriculture and Food, Western Australia; and
- submissions from other State instrumentalities, subject to the approval of the Director General of Agriculture and Food, Western Australia.

Private practitioners and consultants will be required to pay for services requested unless one of the above exemptions applies.

Fees may be subject to review throughout the financial year and may change either by approval of the Director General, Department of Agriculture and Food, Western Australia or by amendment to regulation (as applicable).

GST Calculations and Rounding

The approved ATO method of line item approach has been adopted in the rounding of GST charges.
