

Biosecurity and Agriculture Management Regulations 2013 Quarantine Areas Revocation Notice

The Quarantine Areas Notice – Kununurra and Wyndham – Citrus canker (*Xanthomonas citri* subsp. *citri*) published in the Gazette on 1 June 2018 is revoked and replaced by the following notice.

Quarantine Areas Notice Kununurra and Wyndham

Citrus canker (*Xanthomonas citri* subsp. *citri*)

- Under regulation 60 of the *Biosecurity and Agriculture Management Regulations 2013* (Regulations) the areas described below are declared to constitute quarantine areas until 18 May 2019:
 - the area within a 50 km radius of the Kununurra Post Office; and
 - the area within a 50 km radius of the Wyndham Post Office.
- Within these quarantine areas:
 - all the land located in an area shaded in grey on a map in Schedule 1 constitutes a **Restricted Area**; and
 - all the land outside a Restricted Area but within a quarantine area constitutes a **Control Area**.
- The quarantine areas are declared because the bacterium *Xanthomonas citri* subsp. *citri* (syn. *Xanthomonas axonopodis* pv. *citri*) (the causal agent of citrus canker) is present within the areas.
- Citrus canker host plants listed below must not be cultivated, propagated or planted in a Restricted Area unless authorised in writing by an inspector.
- Movement Directions:
 - Persons other than an inspector must not move, or cause or allow to be moved, any citrus canker host plants, listed below, or any parts of those plants, including the fruit, or any machinery, equipment or growing media used in association with those plants, into, within, or out of a Restricted Area, except in accordance with:
 - this notice; or
 - an approval under regulation 67 of the Regulations; or
 - a general exemption under regulation 71 of the Regulations.
 - Persons other than an inspector must not move, or cause or allow to be moved, any citrus canker host plants, listed below, or any parts of those plants, including the fruit, or any machinery, equipment or growing media used in association with those plants out of a Control Area, except in accordance with:
 - this notice; or
 - an approval under regulation 67 of the Regulations; or
 - a general exemption under regulation 71 of the Regulations.
- A thing referred to in clause 5.a. or clause 5.b. is moved in accordance with this notice if it is:
 - moved in accordance with a protocol approved by the Chief Plant Biosecurity Officer;
 - fresh fruit or juice imported from outside a Control Area for human consumption; or
 - moved as authorised or directed by an inspector.
- Each person who is the owner or occupier of land in a quarantine area is taken to have been given a quarantine notice that applies to land in the terms of this quarantine area notice.
- Failure to comply with this quarantine area notice could result in a fine, the Director General taking remedial action under section 133 of the *Biosecurity and Agriculture Management Act 2007*, or both.
