### Definition The Liver Fluke Test Exempt Area of Australia means:

1. The Northern Territory.
2. Queensland, north and west of the line of the road which runs from Hungerford to Thargomindah to Quilpie to Adavale to Blackall to Jericho to Alpha to Clermont to Mount Douglas on the Gregory Development Road, to Bowen via Collinsville on the Bowen Development Road.
3. South Australia, north of Highway 32 from the New South Wales border to Peterborough, Highway 83 from Peterborough to Carrieton, and north of the boundaries of the Counties of Dalhousie and Frome from Carrieton to Port Augusta, and those areas of the Eyre Peninsula north of County Flinders.

It is the responsibility of the stock owner to ascertain the requirements of fodder eligibility for the state/s they are transporting their animal/s to, or passing through, while out of Western Australia.
