

## Notice of Intent (NOI) to import a declared pest or prescribed potential carrier into Western Australia

Important: Goods imported into Western Australia must comply with requirements under the *Biosecurity and Agriculture Management Act 2007* (WA) and its regulations.

A commercial carrier transporting any declared pest or prescribed potential carrier into the state from a location outside of the state must, before the declared pest or prescribed potential carrier is imported, give not less than 24 hours' notice of the time and place of entry into the state of the declared pest or prescribed potential carrier.

Failure to comply with the above requirements may be an offence and penalties may apply.
